PROFESSIONAL SUMMARY

Motivated Software Engineering student and aspiring Full-Stack PHP/Laravel Developer with solid hands-on experience in frontend and backend web development. Proficient in building responsive, user-friendly web applications using HTML5, CSS3, Bootstrap, JavaScript, React, PHP, and Laravel. Demonstrates strong knowledge of CRUD application development, MVC architecture, and MySQL database design. Developed practical projects including a Student Registration System and a CMS Blog Platform. Committed to writing clean, efficient code and continuously expanding technical expertise through real-world project experience and professional internship training.

TECHNICAL SKILLS

Frontend Development	HTML5, CSS3, Bootstrap 5, JavaScript (ES6), React (Basic), Responsive Design
Backend Development	PHP, Laravel, MVC Architecture, RESTful APIs, Authentication
CRUD & Application Logic	Full CRUD Operations, Form Handling, Session Management
Database	MySQL, Database Design, Queries & Relationships
Programming Concepts	Object-Oriented Programming (OOP), Problem Solving
Tools & Environment	Git, GitHub, XAMPP, VS Code
Python & Scripting	Web Scraping (BeautifulSoup, Selenium, Requests), Pandas
Soft Skills	Communication, Teamwork, Adaptability, Continuous Learning

PROFESSIONAL EXPERIENCE

Full-Stack Developer Intern UET Lahore (Present)

- Developing frontend and backend web applications using HTML, CSS, Bootstrap, JavaScript, PHP, and Laravel within a professional academic development environment.
- Engineered and deployed a Student Registration System featuring full CRUD functionality, form validation, and database integration using MySQL.
- Currently leading CMS development for a dynamic blog posting platform, applying Laravel's MVC architecture to build scalable content management features.

Web Development NAVTTC Program Trainee (UET Lahore)

- Completed an intensive, government-certified 3-month web development program covering full-stack technologies including HTML, CSS, Bootstrap, JavaScript, PHP, Laravel, and MySQL.
- Designed and delivered multiple responsive web projects and CRUD-based applications, demonstrating proficiency across the complete web development stack.

Python Instructor (1 Month)

- Delivered beginner-level Python instruction covering core programming concepts including syntax, data types, control flow, loops, functions, and problem-solving strategies.
- Designed and facilitated hands-on coding exercises that improved student comprehension of programming fundamentals through practical, example-driven learning.

PROJECTS

Portfolio Website

HTML | CSS | Bootstrap | JavaScript

- ▶ Designed and developed a fully responsive personal portfolio website showcasing projects, skills, and professional background using clean, modern UI practices.
- ▶ Optimized layout for multiple screen sizes using Bootstrap's grid system and custom CSS, ensuring a polished user experience across devices.

Real-Time Form Validation

HTML | CSS | Bootstrap | JavaScript

- ▶ Built a client-side form validation system using vanilla JavaScript, providing real-time user feedback on input errors without page reloads.
- ▶ Implemented regex-based field validation for email, phone, and required fields, significantly improving data quality and user experience.

Noorani Qaida Learning System

HTML | CSS | Bootstrap | JavaScript

- ▶ Designed an interactive web interface for beginner Quranic literacy education, structuring lesson content for progressive learning flow.
- ▶ Applied responsive design principles to ensure accessibility across desktop and mobile devices for a broad user demographic.

Basic Calculator

HTML | CSS | Bootstrap | JavaScript

- ▶ Developed a fully functional browser-based calculator with support for basic arithmetic operations, styled with a clean, modern interface.

EDUCATION

Bachelor of Science in Software Engineering (Currently Enrolled)

Virtual University of Pakistan Lahore

Dars-e-Nizami / Master's in Islamic Education

Jamiah Ashrafiah Lahore

2023

Intermediate Degree

Punjab Board Lahore

TRAINING & CERTIFICATIONS

• NAVTTC Web Development Training	UET Lahore	2026
• Full-Stack Developer Internship Certificate	UET Lahore	2026
• ISDP (Intensive Software Development Program)	Jamiah Ashrafia Lahore	2025
• Tajweed & Qirat Certification	Jamiah Ashrafia Lahore	2024
• Hifz-ul-Quran		2014

INTERESTS

- Learning new web technologies
- Building full-stack web projects
- Exploring backend architecture
- Problem solving & coding challenges
- Reading about technology trends
